

# MEASURING GUIDE

## These sizing chart's are based on the child's measurements

Listed below are body measurements that correspond to sizes in each of our different size ranges. This will help determine what size to purchase after measuring your child. If your measurements fall in more than one size range column, depending on the style of the garment, order the size of the largest measurement.

Unisex garments are made from male sizing. All measurements are given in inches.

<p><b><u>CHEST WIDTH</u></b> Hold tape at armpit, where the bottom of the sleeve meets the body of the shirt. <p><b><u>NATURAL WAIST</u></b> Hold tape snugly at natural waist. This is usually at the natural indent. Do not pull tape tight. Do not measure over clothing.</p>	<p><b><u>OUTSEAM</u></b> Hold tape measure from natural waist to bottom of ankle bone</p>
